

Technical drawing of a window unit, showing dimensions and labels. The drawing includes a side elevation and a top view.

Side Elevation Dimensions (mm):

- Overall height: 5700
- Height from bottom to top of unit: 5350
- Height from bottom to top of frame: 5025
- Height from bottom to top of glass: 4725
- Height from bottom to top of sill: 4100
- Height from bottom to top of frame: 3675
- Height from bottom to top of glass: 3425
- Height from bottom to top of frame: 2850
- Height from bottom to top of frame: 2225
- Height from bottom to top of frame: 2025
- Height from bottom to top of frame: 1600
- Height from bottom to top of frame: 975
- Height from bottom to top of frame: 675
- Height from bottom to top of frame: 350

Top View Dimensions (mm):

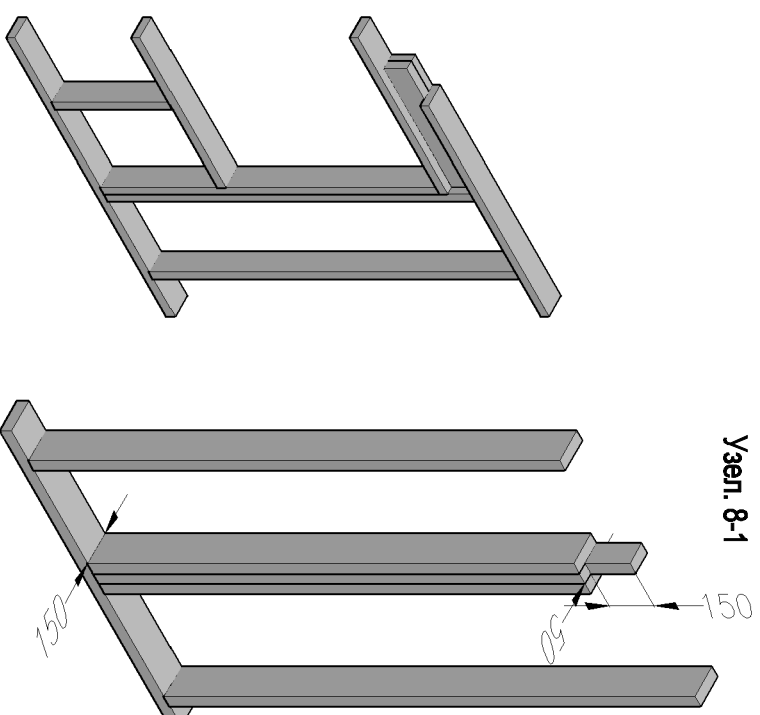

- Overall width: 1300
- Width from left to right of unit: 1350
- Width from left to right of frame: 1200
- Width from left to right of glass: 750
- Width from left to right of frame: 2150
- Width from left to right of frame: 2200

Labels:

- 1: Window frame
- 2: Window frame
- 3: Window frame
- 4: Window frame
- 5: Window frame
- 6: Window frame
- 7: Window frame
